MANY CITIZENS PROTEST PROPOSED CIVIC CENTER LOCATION

Plan Campaign For $100,000 Vet Memorial

terans' Memorial at an estimated cost of $100,000 mov- step closer to realization Wednesday night as the Up- st of the American Legion tentatively approved the re- ans presented by its building committee.

ng action after a long discussion, the Legion agreed to turn to public subscriptions for the financing of the building which would be placed on city property at East Side park.

Although the promotion of the Veterans' Memorial has been undertaken by the Legion, the building when completed will become the permanent property of the city with the Legion post as the custodian for a period of at least 20 years. All veterans would have access to the building whether they were members of the Legion or not.

Fined $250 for Reckless Driving

Dale O'Dell, 117½ South Campus avenue, led Officer Ralph Murchison in a merry chase Saturday night and this morning it cost him $250 fine or 90 days in jail at the Upland justice court for reckless driving.

According to police, O'Dell, 18, raced through the city at an 80 mile an hour clip on his motorcycle and had to be chased from North Second avenue to Ninth street, then to Fourth street and Hellman avenue where he was finally stopped by Officer Murchison. He didn't stop at any of the stop signs along the way and almost ran into the police car when he was finally stopped. Judge Mildred Puckett also revoked his drivers' license for 30 days.

John S. Koehler, 46, 1026 Badger, El Monte, was fined $50 by Judge Puckett for driving without caution. He was charged with deliberately running into a car driven by Mrs. Ralph Bell, of East Twenty-fourth street last Sunday morning, because as he said "she had no business" on the east drive of Euclid avenue.

Propose July Fourth Program

Consideration will be given by the Upland chamber of commerce to the possibility of again sponsoring Fourth of July fireworks.

Directors of the civic organization this morning voted to have President William Gilliland appoint a committee to study possibility of resuming the popular holiday event. Mr. Gilliland, who presided at the meeting held in the Engle & Co cafe, recalled the fact that before the war fireworks displays were sponsored annually.

The committee will study costs and all other factors concerned in the project and report at the March meeting.

As a gesture of goodwill, the chamber directors voted to present the artists on the Civic concert series with a gift of citrus fruit. The first gift, in accordance with this plan, will be presented to Patricia Travers February 14 when she appears in the civic auditorium.

J. Emery Sargent, secretary, reported on the recent meeting sponsored by the chamber in connection with downtown off-street parking problems. He also reported that Senator William Knowland had replied to the chamber's recent letter asking for his support in getting the federal government to provide funds for the southern extension of Euclid avenue to connect with the highway across the Prado dam.

Mr. Gilliland reported the chamber had received an offer of $250 to give up its two-year lease at its present location. Mrs. E. Tweed Stone, who had been appointed chairman of a special committee reported that efforts were being made to obtain a new location for the chamber office so that a new men's furnishing store might occupy the chamber's present location.

The chamber's financial statement revealed a cash balance of $1,286.63.

Present at the meting this morning were Mr. Gilliland, Mrs. E. Tweed Stone, E. C. Rosenberger, Paul F. Schowalter, Owen E. Atwood and C. Ernest Olson, directors, and Dr. James V. Latimer, Secretary J. Emery Sargent and Mrs. Rollin Moser, assistant secretary.

Firemen Want Hose Nozzle Back

The Upland firemen aren't quite sure what happened to the 1½ inch fog nozzle they used to have but they would like to get it back as soon as possible.

It was last seen at the scene of the Snyder packing house fire on Tuesday. When the firemen went to pick the hose up Tuesday afternoon, the nozzle was gone.

Although it is slightly damaged, the firemen stressed the fact that it can still be put to good use and would appreciate its prompt return.

Upland Boy Scouts To Celebrate 36th Anniversary

Symbolizing the spirit and ideals of the Boy Scouts of America is this picture shown here. Troops in Upland are making preparations to celebrate all week their 36th anniversary which is today and the climax of this observance will come when a huge court of honor is held at Chaffey next Friday. A record number of awards will be presented at that time and more Eagle awards will be made than at any other time in the history of the old Baldy Council.

P. E. Says Only Electric Trains To Be Run Here

Only trolley electric cars will be used through the city of Upland, T. L. Wagenbach, assistant general superintendent of the Pacific Electric, assured City Manager R. G. Manley earlier this week.

Although a written assurance is being awaited by city officials, Mr. Wagenbach told Mr. Manley and William Edgerton, who represented City Attorney Edward Gray, that neither steam engines or diesel electric engines would be used by the Pacific Electric in its circuit through the city.

The PE executive also said that no transcontinental freight would be routed through Upland except where the point of destination would be here or in the nearby vicinity.

This assurance came after long negotiations between the city and the Pacific Electric. Casey Jones, PE agent, had told a citizen's protesting committee in the council chamber several months ago that steam engines and transcontinental freight would stop after the first of the year. It was pointed out by Mr. Jones and other PE officials then that steam engines were used during the war to facilitate the handling of vital war materials.

Private citizens as well as city officials have been anxious to find out what the future plans of the PE were in regards to future traffic through Upland. This assurance by Mr. Wagenbach is definitely a victory for the city of Upland which has been insisting that the PE stick to the provisions of the city franchise which grants them only the right to use trolley electric trains through the city.

Make Alterations on Upland Inn; Another New Home Started

Work was started yesterday on alterations at the Upland Inn, 132 East Ninth street. Glenn H. Wright is the contractor doing the work and George Wurster is the owner.

A three room house is being built by E. E. Beardin, 458 North Euclid avenue, at 278 North Eleventh avenue. It will be a wood frame house with the area of the first floor expected to be 400 square feet.

Other building permits issued by the city building inspector were to W. J. Ritchea, contractor, for alterations to the McGee home at 2162 North Euclid avenue; and to J. C. Hoover for reroofing his house at 232 North First avenue.

Observe Scout Birthday Today

Upland troops prepared to observe the 36th anniversary of the Boy Scouts of America today.

Special programs are being planned both in the city and jointly with Ontario. A huge court of honor will be held at Chaffey next Friday when a record number of Scout awards will be made, including more Eagle Scout awards than have ever been made by the Old Baldy council.

Churches both in Upland and Cucamonga have set aside this Sunday as Scout Sunday and troops in a body will attend the churches of various denomination .

Honor Driver

A boy driving a Ford pickup yesterday at 3:20 p. m. with the license number 93 P 531 is the Honor Driver for today.

He was seen going north on Third avenue. He made a good stop at Arrow highway and then used the proper arm signals as he turned right. Then he traveled east to Campus where he turned north on Campus avenue again after giving good arm signals.

"A very outstanding driver," police commented in making their selection.

Driver's Licenses To Be Issued in Upland On February 19

Motorists desiring to secure driver's licenses may do so at the Upland chamber of commerce office beginning Tuesday, February 19.

John Campbell, license examiner, will be at the Upland office every Tuesday from 9 a. m. to 1 p. m. and from 2 p. m. to 4 p. m. He succeds John Pratt who has been transferred to another office.

Driver's licenses may also be secured from Mr. Campbell at the Ontario city hall on Wednesday, Thursday and Friday and in Pomona on Monday.

Report City Balance In January $234,687

Balance for the city at the end of January was $234,687.11, according to R. G. Manley, city manager.

At the same time it was disclosed that 2,839,600 cubic feet of water had been consumed by Uplanders and that water receipts for the month just passed totaled $4,-034.57.

Included in the city's balance is $27,327.29 worth of taxes collected during the month of December.

More than 500 scouting awards will be made when the annual Court of Honor of the Old Baldy Council, Boy Scouts of America, is held at the Chaffey civic auditorium on Friday, February 15.

Forty-five scout troops of Pomona, Upland, Ontario, Claremont, Chino, San Dimas, LaVerne, Cucamonga, Alta Loma and Fontana will be represented.

The largest number of Eagle Scout awards to be made in the history of the council, 25, will be made under the direction of the Knights of Dunamis, Scout honorary society.

Clyde Paige, Pomona, will be the master of ceremonies and Thomas Lambert, Pomona, general chairman.

Snyder Looks For Upland Site

W. A. Snyder, head of the Snyder and Sons company which was destroyed by fire Saturday, said today that he was loking for a site in Upland on which he could build another packing house.

Making this comment on reports that he was negotiating to build in Pomona, Mr. Snyder said that he was going to make every effort to maintain his business here and would start building in Upland as soon as a new site was available.

S. R. Waugh, special agent representing the National Board of Fire Underwriters, was in the city Tuesday and investigated the causes of the fire. It will be some time before any reports will be forthcoming from his office but it is believed that he found very little that would indicate that the fire was anything but accidental.

Statements were taken by Mr. Waugh and Howard Paulin, Upland fire chief, from employes who were present at the time the fire was discovered. These will be studied by the Board of Fire Underwriters and their report will be sent at some time in the future.

In the meantime Chief Paulin said that while the department was still interested in why the fire burned so rapidly, the case was pretty much closed as far as he was concerned.

CHAFFEY LEADS

Chaffey high school led Pomon basketball team 14 to 9 at half time in today's bitterly fought game between the two rivals on the Chaffey floor. Chaffey led off early and Bentley tossed in 7 points while Dingle scored 6.

Need More for Ray Davis Fund; Total Now $505

"We welcome any contributions no matter how small and we are asking everyone who can to give to this worthwhile cause," Frank Nichols, trustee of the Raymond Davis Building fund, said today.

In making this appeal Mr. Nichols also disclosed that 17 Uplanders had contributed towards the building of a home for Raymond Davis and his family for a total of $505.

"We don't know just how much we are going to need as yet but just as soon as the plans are prepared we will announce just what it will cost to build the contemplated house for the Davis family," Mr. Nichols said.

He also said that the committee is not going to publish the amounts that each donor will give but will merely acknowledge receipt of money from them. There is no need for anyone not to give at all because he doesn't think he can give as much as he'd like to give, Mr. Nichols said.

It was reported by the Upland Housing authority that Mrs. Davis, wife of the disabled war veteran, and their three children moved into a house at 791 San Ysidro dr, Los Olivos. Four other veterans' families were also aided as they moved into homes both at Los Olivos and Parkside.

The other veterans and their families now occupying homes there are Mr. and Mrs. Herbert J. Gunther at Los Olivas, and Mr. and Mrs. Roy Haigh, 112, Mr. and Mrs. William McLaughlin, 154, and Police Officer and Mr . John J. McCarty, 252, at Parkside. In all 20 veterans reside at Parkside.

Offer Course in Radio Writing at Chaffey

A course in radio dramatics and script writing will be offered at the Chaffey Adult school beginning Wednesday, February 13, Melvin Shimmin, director, announced today.

The class will meet on Mondays and Wednesdays from 7 p. m. to 9:30 p. m. and will deal with every phase of radio writing and production.

John R. Conway, formerly of the Canadian Broadcasting Corporation, is the instructor. He has had wide experience in the radio field and was for a time supervisor of production for the RCA Victor radio recording studios. He started with CBC as a sound effects man and was continuity and script editor at the time he left.

Council Stands Pat on Action Pending Three Public Hearings

A delegation representing 14 property owners, vigorously and loudly protested for more than two hours to the city council last night on the proposed civic center site and called upon the councilmen to rescind their action taken at their meeting on January 17.

The council, after hearing all those who wanted to be heard, told the protestors that the matter could be handled in the regular routine way and that there was no need for the council to rescind its previous action.

Two public hearings must be held by the planning commission and another by the council before anything definite is arrived at in the selection of the civic center site, Mayor Eugene G. Nisbet, speaking for the council, said. On a motion by Councilman Ray R. Sherwood and seconded by Councilman James Goodban the council stood pat on its previous decision.

ORGANIZED GROUP

The action taken by the council on January 17 authorizes the planning commission to hold public hearings relative to changing the proposed civic center site from R-3 to R-1. No restrictions can or will be enforced until those hearings and another by the council is held and the rezoning provisions are passed.

Declaring that they were not going to stand idly by and have themselves "thrown out," Don Meredith, who lives at 441 North First avenue, head of the group, told the councilmen that he represented a duly organized group, who also had elected officers, to oppose any move to place the civic center in the proposed area roughly between North Second avenue and North Euclid and from Arrow highway to the Pacific Electric tracks.

"RESCIND ACTION"

"Gentlemen, they are upset and are prepared to oppose it," Mr. Meredith declared. "We are asking that the council rescind its action because we believe it is a discriminatory action."

W. E. Boulton, of 406 North Euclid avenue, reviewed the hardships that would be imposed upon the residents.

"You can't find any place where the private injury would be greater," Mr. Boulton said.

The citizens committee emphasized repeatedly that they were getting at the age when they had no desire to establish a new home, that many of them had lived in their present homes for 30 years or more and that they intended to take legal action, if necessary, to prevent the building of a civic center site in the area designated.

DEMOCRATIC

Declaring that the action of the council was "not democratic as it should be," Paul R. Daggs, 470 North First avenue, said that he was doubtful that the city could raise enough by a bond issue to build the civic center proposed. But in so designating this spot, Mr. Daggs said, the value of the property in the area was due to fall. He also said that the action of the council carried more weight than it itself probably realized.

Wholesalers To Need Business Licenses Here

Action to revive business licenses for wholesalers doing business in the city was taken by the city council last night as it instructed Edward Gray, city attorney, to draw up such an ordinance.

Under the proposed ordinance anyone delivering produce goods to retailers or other interests here would be subject to pay fo ra license fee. A similar ruling existed at one time but was repealed.

The council also approved two resolutions to make it possible for Upland to receive money from the state to drawn plans and specifications for additions and extensions to its sewage system.

Acting upon the recommendation of R. G. Manley, city manager, the councilmen passed one resolution asking for the money and another joint one with Ontario for addition to the sewage disposal plant. Upland will receive $6,148.08 for drawing up the plans and specifications.

Three water applications were granted to two San Antonio Heights residents and another denied. Permits granted were to D. H. McGuire, Pete Casselman and Howard Pruitt. The request for water of Carlo Bongiovanni, of Hollywood for his proposed new subdivision, was denied.

Dr. Rufus Oakey, pastor of the First Presbyterian church, was appointed to the Review board to succeed the Rev. C. E. Reynolds, former pastor of the Presbyterian church.

The contract to provide aviation gas for the police and fire vehicles was granted to the Union Oil company who had the lowest bid. Action on standard gas was delayed pending an investigation by City Manager R. G. Manley on speed of delivery and quality.

19 Graduate At Chaffey

Nineteen mid-year graduates at Chaffey High school were announced today by Ernest Fischer, principal. Of this group nine completed credits lacking for graduation in the armed forces, Mr. Fischer said.

Three of the graduates are known to be from Upland. They are Robert James Cadnum, 158 West Arrow highway; Mary Duff Phillips, West Twenty-fifth street, and Arthur Roy Smith, 181 South Euclid avenue.

Diplomas will be mailed to the graduates, although they will be invited to participate in graduation ceremonies this June, if they so desire.

Those completing courses needed for graduation through the armed forces institute while in the service were:

Bruce Arthur Barnes, Leonard John Bonanno, Billy Gene Davis, Harold Harley Jackson, Charles Lewis Revello, Ralph Edward Snider, Curtis R. Haynes and Glen Hershel Head.

The other graduates are:

Marjorie Martha Aberle, Robert L. Alumbaugh, Bernard George Cinque, William J. Ferguson, Carleton M. Higby, Lawrence Denton Mattison, Arthur Roy Smith Robert Earl Staudenmayer and Mary Alice Wattenbarger.

Place Curb on Solicitors

A secret committee to investigate outside solicitors in the community has been established by the Upland chamber of commerce.

This has been done in order to prevent local merchants from contributing to organizations or groups without understanding the merits of the cause.

Letters have been sent to all merchants by the chamber asking them to inform the chamber of commerce when they have any doubts as to the person soliciting.

"You are at liberty to tell the solicitor when a doubt arises as to the justice that of the cause he represents that he must get an O. K. from the chamber of commerce before you act," the letter said. "The chamber of commerce shall then give full particulars to the secret committee who will investigate for us and report."

Question of Military Training Must Be Answered by World Powers—

Dorothy Thompson, in her current lecture series, isn't making any stand on the question of compulsory military training, other than to say that the answer lies in the action of other nations.

This country can't decide how many people should be given military tratining, as she puts it.

This nation's peacetime military training program must be based more or less on the policies of other countries. While the United States should take a lead in establishing a program of permanent peace, we cannot right at the moment say there shall not be any compulsory training. That policy might be dangerous.

If Russia continues to keep millions in uniform; if Spain and France build up their military forces, and if the South American countries fail to establish a strong peace foundation—then there is only one course for this nation—peacetime military training.

Through the United Nations Organization a general policy might be adopted for a minimum world-wide military training program. Then, the United States can safely answer the question against military training.

What "One Who Has Been There" Thinks of Washington—

It has remained for Oregon's U. S. Senator Guy Gordon to give the people a little picture of the false front that is gradually acquired by our public servants in Washington. On a recent trip to his home Senator Gordon said Washington is "the city of bluff". I firmly believe . . . members of Congress . . . should be compelled to return to their states about twice a year in order to get the thinking of the people and renew their sense of the true American way.

"In Washington, the atmosphere is unnatural and unhealthy, and you are confronted by so many 'experts' that you lose, if you are not very careful, the true American way of doing things. Then, when you get back to your own people you find that after all everything doesn't depend upon you, but upon the will of about 140,000,000 people who compose this great nation—and you feel better."

Slot Machines—and Law Enforcement Officers—

An appeal has been issued to Governor Earl Warren to license slot machines. Proponent of the idea assumes that the machines cannot be suppressed—that the law enforcement officers cannot assume the responsibility of enforcing this phase of the law and that it is better to accept the machines as legal. Perhaps that is so in Santa Clara county, where four officers were convicted of conspiring to violate the gambling laws.

As to this county, thousands of people know whether there are any slot machines in operation. The full responsibility for the situation rests on Sheriff Emmett Shay and on the police departments in each municipality. We believe the law enforcement officers know if any machines are in existence. If they are, something should be done——about the officers, not about the law to permit them to remain.

Each Person's Opinion Helps to Form Public Opinion—

Some people hesitate to write letters to The News or to otherwise express their views because they feel they do not have all the facts. Oftentimes, public comment on certain matters is the only way to "smoke out" all the facts. We are expected to register our opinions on public affairs. That is the essence of responsible citizenship.

Public opinion is made up of private opinions. Each of us is influenced by public opinions. But each of us, in turn, can influence public opinion, if we express our private opinions often enough and vigorously enough.

Mac's Pasture

By MAC McQUILLEN

DO WE MISS HIM ? ? ?

Gottloff phoned me from Los Angeles. Four brand new teeth. Gottloff produced these choppers about six months behind schedule. He's been rather slack with his fangs. At times I'd almost given up hope and threatened to have him fit with a temporary set—or else loan him mine. Well, they're better than none and they don't ache. Our grandparents, no doubt laughed at the same "True Tales" that will be new to Gottloff and his generation when they get old enough to get the point of stories.

Here's an old 'un. A boy asked for the hollow tooth that his dentist had just extracted. "What for? I wanna fill the darn thing with sugar and watch it ache."

About a year before Gottloff arrived I renewed my earnest plea to the potential parents—I. E.—Viz. and namely—that, if we were going to have grandchildren prattling around the house—shouldn't we be getting a start.

Some months after Gottloff helped fill the cribs at The San Antonio Community hospital's baby revue, I coyly asked his mother if she was glad she had him. She folded Grampaw in her arms, kissed her heckler, smiled a happy tear and said:—"Well, he was your idea."

The house is too quiet. Things are a bit dull.

Wonder when they'll bring him out.

Cheerfully yours,
Mac.

Our Local History

By Una R. Winter

EDUCATION IN THE CHAFFEY DISTRICT

In 1911, the expanded High school district, composed of Ontario and Upland, came into being with Merton E. Hill as superintendent of the Chaffey Union High school. During the next 20 years the district took in other near-by areas. Chaffey Union High school initiated and carried to success many ideas of great value to a community; among them an educational system adapted to the various types of residents within its boundaries.

Fortunately, we have the written record of the work which made this school so well and favorably known over our own state and other states. We have placed in the Huntington library the following items—all donated by Dr. Hill at our request:

Pamphlet — 1911 to 1920 — "Building a Community High School," by M. E. Hill.

Pamphlet — 1911 to 1932 — "Building a Community High School and Junior Colelge—The Chaffey Project." by Merton E. Hill and George P. Weldon.

Thesis — 1928 — "The Development of an Americanization Program for Chaffey district," by Merton E. Hill, Ed. D.

Article—"Chaffey Junior College Building Program" by Merton E. Hill and Members of Faculty, in Junior College Magazine, 1931.

Article—"History of Terminal Courses in California," Merton E. Hill in Junior College Magazine, 1942.

A good many Chaffey students and faculty members have done research work at the Huntington library during the past years. This library is a semi-public institution, non-circulating—and its objective is to be for the general welfare, especially "of the citizens of the State of California." It is owned and administered by a board of trustees, self perpetuating.

G. E. Tells Effect Of Strike

As the General Electric strike in Ontario went on its 19th day, the company issued a statement today pointing out the effects which it has had both on the employes and on business in the city.

The release from the GE in Ontario follows:

A flood of applications by strike-bound workers for unemployment insurance and new jobs has resulted from the UEW-CIO strike at the General Electric company's Ontario works.

By the end of the third week of the strike, after a survey of the city's businesses, 340 applications for unemployment compensation had been received at the unemployment compensation office. Included in this total are 55 ex-service men.

NEW COURSE

"Mining Geology and Modern Methods of Prospecting," a new course, will begin with the new semester, March 4, as a night class open to stuednts and townspeople, the University of Redlands has announced. Instructor will be Dr. Stephen Winchester Dana, professor of geology at the university.

It cost the government $593,000 to replace 2,600,000 lost Social Security cards last year.

STATE EXAM

The state personnel board needs persons experienced in personnel classification and examination work to fill positions in the Sacramento office. Statewide tests for these positions will be held on February 16.

Many Parents Attend Annual Chaffey Girl Scout Dinner

Marked by an attendance of many fathers and mothers of the West End who are actively interested in Girl Scouting, the annual dinner of the Chaffey Community Girls' Organization council was held Tuesday evening at the Upland Woman's club house. Mrs. Warren H. Wass, commissioner for the past two years, presided.

The council reported a most successful year, but showed that there is a great need for more leaders to take care of the increasing membership. Girl participation in the organization has been stressed, and more self government. That the girls prefer to run their own show under cooperative supervision is evident from the phenominal growth which was achieved. During the term of Mrs. Wass, the adult volunteer membership increased from 37 to 128, and the registered active Girl Scouts from 214 to 526. The girls inactive today because of lack of leadership number 175.

Mrs. Wass presented the new commissioner for 1946, Mrs. J. B. McCarter. The girls of Mrs. Grover Braden's troop appeared in an interesting radio play on Girl Scouting, and Mrs. A. Q. Miller paid tribute to Mrs. Wass in behalf of the council.

The speaker of the evening, Mrs. Louis Martin, was introduced by Mrs. Howard Shattuck. Mrs. Martin was commissioner of Girl Scouts in Los Angeles for three years, and at present is chairmar of the regional committee. She spoke very directly on Girl Scouting and the problems that all have in common. She stressed the importance of the senior Girl Scout program and the need of more active leadership in this essential part of the work. She discussed in particular the work to be done at this time and urged a close inter-relationship of all youth activities.

Among the guests attending the dinner were Mrs. Charles Toney, Los Angeles, a member of the regional committee, who accompanied Mrs. Martin.

FREE LECTURE

Astronomy enthusiasts of the entire citrus belt region are especially invited to attend a free public program to be held in Lincoln school auditorium, 1300 North Gordon street, Pomona, Wednesday evening, February 13, at 7:30 o'clock, when Dr. Gerald F. 1 tbsp. sugar
⅛ c. parsley, chopped
1 tsp. salt
½ tsp. pepper
¼ c. olive oil

Rub meat with olive oil, then sprinkle with sugar. Brown well on all sides, add onion, parsley, cloves, tomatoes and seasoning. Bake in Dutch oven until tender. Serves 4.

Presbyterian Women's Association Elects Officers

Monthly Luncheon Meeting Held in Social Hall

Mrs. S. P. Tipton will serve as president of the Woman's Association of the Upland Presbyterian church for the coming year, succeeding Mrs. Henry M. Busch, who has held the office for two years.

Election was held during the morning session of the monthly meeting yesterday in the social hall of the church. Other officers chosen are Mrs. W. F. Rugg, first vice-president and program chairman; Mrs. Frank Phillips, second vice president; Mrs. John Miller, recording secretary; Mrs. H. S. Hoard, corresponding secretary; Mrs. Henry M. Busch, treasurer.

Department secretaries elected are Mrs. R. C. Stone, missionary education; Mrs. Elizabeth Moore, spiritual life; Miss Hannah Comly, community service; Mrs. J. H. Bledsoe, literature; Mrs. Ernest W. Fischer, stewardship; Mrs. A. E. MacLaren, assisted by Mrs. William Trunkfield, courtesy; Mrs. Claude B. Mattox, house chairman; Mrs. Clara B. Tilden, box work; Mrs. D. E. Palmer, young people's work; Mrs. Rufus W. Oakey is an ex-officio member; Mrs. Ralph W. Scott heads the nominating committee, and Mrs. Howard J. Kilmurray is music chairman.

Leaders of the four groups are as follows: Group 1, Mrs. H. A. Hixson, assisted by Mrs. Ellery F. Wright; group 2, Mrs. Howard N. Mason, assisted by Mrs. Stanley Swayne; group 3, Mrs. J. F. Sawyer, assisted by Mrs. Eva G. Moore, and group 4, Mrs. A. C. Beattie, assisted by Mrs. Archie L. Moore.

Installation of the new officers will be held during the March meeting.

After the election Mrs. Charles A. Bowser and Mrs. Rufus W. Oakey gave reports of the morning and afternoon sessions of the recent Presbyterial meeting in San Bernardino.

In the afternoon six children from the Grove street school in Ontario entertained with several songs. They were accompanied by two of the teachers, Mrs. H. S. Hoard led the devotional service on "Fellowship and Peace."

Mrs. J. F. Davenport, who is now on furlough in Orange, was the guest speaker. She gave an interesting talk on Presbyterian missionary work in Venzuela, where she will return in the fall.

The noon luncheon was served by the group headed by Mrs. S. P Tipton. Mrs. H. S. Hoard and her committee had charge of the decorations of the tables using arrangements of various spring flowers.

Dramatic Artist To Present Program For Woman's Club

Kira Melissarato, dramatic artist, will appear in costume in a three-part program to entertain members of the Upland Woman's club at their meeting Tuesday afternoon in the culb house, Mrs. J. Emery Sargent, program chairman, has announced.

Emerging from Russia's most colorful and dramatic years, comes this creative artist interpreting her original literary works in polyphonic prose. She comes to California from a background of radio and lecturing in the east.

Mrs. W. R. Farmer, president, will preside over the meeting.

Luncheon will be served at 12:30 o'clock by the February committee, under the supervision of the ways and means committee, Mrs. W. R. Farmer, chairman.

Mrs. Paul Schaffner of Van Nuys spent the past week with her mother-in-law, Mrs. W. T. Schaffner of 1970 West Eighteenth street. Her husband, Staff Sgt. Schaffner, who is stationed at Fort MacArthur came out for a weekend visit and returned home with Mrs. Schaffner.

Fashion Frock of the Week

BRIGHT STRIPES

Srtipes, clean-cut and uncluttered, give that American beauty look. Horizontal stripes accentuate top-heavy bulkiness which seems to be the vogue this season. And the vertical stripes are designed to give a slimmer appearance. This model also is very easy to launder. Shoulder pads button in, and the shoulders themselves unbutton and lie flat upon the ironing 4board.

Health Program Scheduled for PTA Meeting

"Together We Build Health and Physical Fitness" will be the theme for the February meeting of the Upland Parent-Teacher association Wednesday afternoon at 2:45 o'clock in the auditorium of the Upland Elementary school, according to announcement by Mrs. Theo Davis, the president.

Dr. Truman T. Ackerson, city health officer, will talk on acute rheumatic fever, and Mrs. Lloyd E. Gilmore, school nurse, will tell what the school is doing to promote health.

Children of Mrs. Helen Sawyer's first grade will entertain with songs, and Miss Florence Tarleton's sixth grade will have charge of an observance of Founder's day.

Election of officers for the coming year will feature the business session, and a life membership will be awarded.

Tea will be served by the third grade mothers following the program.

Mrs. Manker Hostess To Luncheon Club

Monthly meeting of the Wednesday Luncheon club was held at the home of Mrs. Edna M. Brown, 1423 North Euclid avenue, with Mrs. F. H. Manker as hostess for the occasion. An arrangement of sweet peas and heather centered the luncheon table.

The tally cards and prizes carried out a Valentine motif. The high score award for members went to Mrs. Glenn M. Atwood and the guest prize to Mrs. Lillian Manning. Mrs. Charles O. Deverts received the traveling trophy.

Guests at the party were Mrs. Isabelle Brown, Mrs. Charles V. Benson and Mrs. Lillian Manning, and the members present were Mrs. J. F. Sawyer, Mrs. Charles O. Deverts, Mrs. Milton F. Huxtable, Mrs. C. K. Francisco, Mrs. Ernest C. Mehl, Mrs. Loring N. Kirk, Mrs. Glenn M. Atwood, Mrs. B. C. Nichols and the hostess.

Prepared TO FACE THE FUTURE
The Boy Scout motto is "Be Prepared" and in this year of transition—it has deeper, fuller meaning than ever in its history. For in 1946, the Scouts of the world are preparing to face the future—of building a new world—one in which construction—and not destruction—is the goal. A future that knows only peaceful living, where every man is a brother to every other man regardless of his race, creed or color. It is the youth of today that will be the world leaders of tomorrow. So, on this 36th Anniversary of the Boy Scouts, we pay tribute to this great organization for the work it has done in the past—for the work it will do in the future as the Scouts of the World build together for peace and happiness.

The complete debacle of the Pomona Red Devils when they were confronted with the might and power that is the San Bernardino Cardinals only add further fuel to the pre-season predictions that the Cardinals would be the strongest quintet in the Citrus Belt league.

While Pomona defeated Colton, their performance against San Bernardino doesn't indicate that they are as strong as their standing in the league might lead some of us to believe. Colton looms as a strong contender, with Chaffey as a possible dark horse.

But it's going to take considerably more than the other teams in the league have shown thus far to overtake the powerful Cardinals. San Bernardino was destined to take the lead before the league season opened and that is the way it will probably be when the season ends.

✣ ✣ ✣

By Sunday night half of the 32 candidates for the President's trophy at the Red Hill Country club will have been eliminated. Norman Springer won the coveted title last year and it will be interesting to see if he can repeat his brilliant performance.

✣ ✣ ✣

If there's any doubt in anybody's mind that Bill Dingle isn't on his way to All-Citrus forward, take a look at the individual scoring totals. In four games, Bill has scored 55 points, for an average of nearly 14 points per game. Only Harry Wilson, San Berdoo center, is ahead of him in the league with 64.

So, Bill has not only scored more than any other forward in the league but has most of them beat all to hollow when it comes to defense.

✣ ✣ ✣

Pre-season dope seems to be bearing out right as far as Fullerton is concerned but Santa Ana is a big disappointment in the Orange Empire conference. It had been expected that the title would be a toss-up between those two teams. But as things stack up now, it loks like it will be Fullerton as the favorite, with San Bernardino and Riverside as possible contenders.

Incidentally, the Indians and the Bengals play tonight, the results of which should give us some idea as to their chances.

Panthers Draw Bye; Indians, Bengals Clash Tonight

The Chaffey Panthers draw a bye today as all eyes in the Orange Empire conference turn to the game between the San Bernardino Indians and the Riverside Bengals.

The two teams are now tied for second place and the winner will hold undisputed position of second place. Both teams seem to be evenly matched, having defeated the same teams, Chaffey and Santa Ana. They also both lost to the league-leading Fullerton Hornets.

Former Uplanders Seriously Injured

Mr. and Mrs. Edward I. Frick, formerly of Upland, were seriously injured Wednesday when their car was struck by a large lumber truck.

Most severely injured was Mrs. Frick, who is at the Hollywood Presbyterian hospital with a broken neck where it is believed she is on her way to recovery. Mr Frick suffered injuries on his body and also his neck.

The accident occurred on Lankershim boulevard near North Hollywood. The impact of the truck behind them sent the Frick car 200 feet into a roadside pole.

Chaffey-Pomona Clash Expected To Be Close, Even Contest

The Chaffey Tigers took the floor this afternoon at the Chaffey gym against the Pomona Red Devils in what may prove to be the most crucial game of the season.

A victory for Chaffey this afternoon would mean a tie for at least third place, more likely for second, while a win for the Red Devils would still keep them in the running for the CBL title.

A close and hard fought game was seen this afternoon with both teams exerting themselves to the utmost for victory.

In addition to the importance of the game as far as league standings are concerned, the traditional rivalry between the two schools may play a big part in the result of the game.

As the two teams faced each other this afternoon both coaches were using all the strategy that they could muster. Coach Karl Kaiser, instead of starting his ace forward, Bill Dingle, called upon the following to take the floor as the game began.

Aitken and McClure, forwards.
Bentley, center.
Kruggel and Lucas, guards.

Standings

CITRUS BELT LEAGUE

	W.	L.	Pct.
San Bernardino	4	0	1.000
Colton	3	1	.750
Pomona	3	1	.750
CHAFFEY	2	2	.500
Redlands	0	4	.000
Riverside	0	4	.000

Dingle Second In Scoring

Bill Dingle, ace Chaffey High school forward, holds second place in the individual scoring in the Citrus Belt league.

Averaging nearly 14 points in every game, he has a total of 55 points. Harry Wilson, rangy San Bernardino center, holds first place in scoring honors with 64 while Bill Flicker of Pomona, is in third place with 47.

Not only because of his consistant scoring but also for his outstanding floor work both in offense and defense, Dingle is a strong contender for the All-Star Citrus Belt team.

In team scoring San Bernardino, the league eladers and heavily favored to cop the CBL championship this year, pace all the other teams with 166.

Pomona is second with 154; Colton, third, with 143, and the Tigers fourth with 131. Redlands has 114 points and Riverside 106.

Arrange Funeral For Voelker

Funeral services for Mr. Voelker will be held Saturday afternoon at 2 o'clock at the Stone Funeral home, 329 East Ninth street, with the Rev. Rufus W. Oakey, pastor of the Upland Presbyterian church, officiating. Interment will be in the Rialto cemetery, Rialto.

The victim and his wife, Rena, who is recovering at the San Antonio Community hospital, were found in their home at 441 West street by Mrs. Alice Sweeny, 422 West street, Monday afternoon. She immediately notified the police but efforts by the pulmotor squad failed to revive the man.

According to police, Mrs. Voelkor had been ill all day Sunday and tried to get out of bed in the evening but fell between the bed and the window. Her husband, Frank, tried to come to her aid but he also fell to the floor. Then Mrs. Voelker helped him to a chair and herself lay down on the couch. She recalls nothing else after that point until she was revived by the resuscitator on Monday.

Sgt. Detective Henry Younge and Fire Chief Howard Paulin found Mr. Voelker sitting in the chair. Dr. J. B. Craig pronounced him dead upon arrival and Mrs. Voelker was immediately rushed to the hospital.

The gas heater had been going on since Sunday and the house was in an exceedingly warm condition. It is believed that the constant use of the heater absorbed all the oxygen in the air, bringing about the death of the victim.

Neighbors had noticed that no one had been stirring at the Voelker home for two days. Copies of a metropolitan newspaper were found untouched on the front porch and the light in the living room was still on when police arrived.

Formerly of Fontana, the couple came to Upland three years ago. Mr. Voelker was a retired employe of the Southern California Edison company. A sister of Mrs. Voelker, Mrs. Lola Himmelspeck, Riverside, arrived in the city soon after the news of the tragedy reached her to help with the arrangements.

First Round Nears End

The first round for the President's Trophy at the Red Hill Country club was nearing an end today as some matches still remained to be played before Sunday.

Thirty-two were vieing for the golf honor with 16 scheduled to be out of the running by Sunday night when the first round officially ends.

Next Monday the second round will get underway with only 16 left in the tournament. A week later only eight will be left, with the remaining four competing for the President's Trophy in the fourth and final week.

Norman Springer, who copped the Trophy last year, is the defending champion.

Firemen Answer Only 2 General Alarms

Only two general alarms were heard in the city last month, with one of them a false alarm, Fire Chief Howard Paulin said today.

The false alarm was supposed to have been at 408 Eighth street while in the other a washhouse fire at 838 East Eighth street resulted in $75 loss. Sixteen volunteers responded to the two general alarms and engines 1 and 3 traveled five miles in response to them.

Three still alarms during the month were all trash fires, with no loss reported in any case. Truck 3 went two miles to extinguish these blazes.

Chief Paulin also reported that Devon Francisco, former fire engineer, has been hired again for three months to fill the vacancy created by the resignation of I. J. Linkey.

Mrs. Wayne Webb Returns Home

Mrs. Wayne Webb, 410 North Campus avenue, returned home Wednesday following treatment at St. Bernardine's hospital in San Bernardio for severe cuts and bruises above the head and face.

She was injured in an automobile accident last Sunday on Highway 66 east of Cajon pass. The Webb daughter, Diane Jean, 1 1-2, who was riding on her mother's lap, luckily escaped injury.

According to reports the Webbs were westbound on the highway in blinding snow and rain when they suddenly came upon a stalled car. Faced with the choice of either hitting the car or running into pedestrians, it is believed that Mr. Webb chose the former.

They were returning from a visit at the home of Mrs. Webb's parents, Mr. and Mrs. J. A. Carter, Trona and formerly of Upland, and were going to take Diane Jean to the San Antonio Community hospital for medical care when the accident occurred.

WHEN IS MY
New Ford
COMING?

That question is uppermost in the minds of many residents of this district. It is asked of us many times every day.

We are in a position to be sympathetic because we know how badly worn out most cars are today—and we hear urgent stotries about why a new car is needed right away.

We cannot make the cars—but we can make sure that our community gets its fair share of cars that are made. We cannot satisfy the demand that exists for cars overnight, but the Ford Motor Co. has set remarkable records in reconversion, labor relations and mass production. Ford Motor Co. will be the first to really produce new cars in large volume.

We have adopted what we consider a fair policy in delivery of the New Fords. You may be assured we are doing everything possible to satisfy the demand. You may be sure the Ford Motor Co. can be depended upon to be first—always!

By MRS. ARTHUR A. SCHUCK

Mr. and Mrs. A. C. Beattie of Archibald avenue, Cucamonga, spent last week end in San Bernardino as guests of their daughter Mrs. Kenneth Hunter.

Mr. and Mrs. Don Jameson, daughter and son-in-law of Mr. and Mrs A. C. Beattie left the Beattie home, where they are visiting, for a short trip to Long Beach and Los Angeles.

Miss Elizabeth Stough, Canton, Ohio, is the guest this week of Mrs. J. T. Salisbury at her home on Hellman avenue, Alta Loma. Miss Stough is spending the entire winter in California and has been visiting friends in Hollywood.

The Cucamonga - Alta Loma branch of the Upland chapter of the American Red Cross, which meets every Wednesday from 10 a. m. to 4 p. m. in the Red Cross room on Lomita drive, just west of Amethyst avenue in Alta Loma, is in need of workers.

The branch, under the leadership of Mrs. A. C. Beattie, Cucamonga, feels that the need for Red Cross production is as great now as it was during the war. The work at this time is principally for hospitals for refugees. The Upland chapter has a quota of 1,000 hospital slippers, and the Cucamonga-Alta Loma branch is devoting most of its sewing time to helping fill this quota.

The Woman's Society of Christian service, of the Cucamonga Community church, held its monthly meeting yesterday afternoon at the home of Mrs. Arthur Capen on Hermosa avenue, Alta Loma. Mrs. Steven Renfro, Ontario, district secretary of the Methodist Conference Woman's society of Christian service, spoke to the group on the importance of individual societies participating in the work of the Conference society. Mrs. John G. Stoebe led the devotions, and a report was made by the society's representative to the annual meeting of the Woman's Society of Christian service of the Methodist conference, which was held in Los Angeles January 16.

P.T.A. To Hold Founders' Day Meeting To Make Plans For Election Of Officers

Joint Founders' Day meeting of the Parent-Teacher associations of the Alta Loma and Cucamonga Central schools will be held at the Alta Loma school Tuesday. Guest speaker of the afternoon will be Mrs. Minnie Emmons, district life membership chairman of the Parent-Teacher association.

The program will also include a demonstration of some of their work by the third and fourth grades of the Alta Loma school and a talk by Miss Erskine, the supervisor of nurses of San Bernardino county on the pre-school child clinic and its importance.

According to Mrs. George Jackson, president of the Alta Loma Parent-Teacher association, a nominating committee will be appointed at that time to prepare for the coming election of officers in that organization.

Kin of Etiwanda Founder Dies

The daughter of one of the founders of Etiwanda died at Culver City late Tuesday afternoon.

She was Mrs. Cora Hillerman, 88, whose father, the late Captain Isaiah P. Smith, helped to establish Etiwanda and was an early San Bernardino county judge.

Mrs. Hillerman, who was born on the Santa Fe trail in New Mexico while her parents were on their way to California, was married to George H. Hillerman on the family ranch near Cucamonga. She is survived by three children, six grandchildren and six great grandchildren.

Ask for Letters In Clothing Drive

The Victory Clothing drive has been extended through the month of February. A great many clothes have been received by the Cucamonga-Alta Loma Woman's club, which is handling the drive for these communities, and more are expected to come in before the end of the month.

The need, now, is not so much for clothing as it is for friendly notes to be put in the pockets of the clothes. The National Victory Clothing drive has requested such letters to be written as part of a friendship or "Good Neighbor" program.

Anyone wishing to help is urged to contact Mrs. Asgar Ravn, West Arrow highway, Cucamonga (telephone 313-995) for further information or merely to write a friendship note and send it to Mrs. Ravn. Notes from children will be particularly welcome.

Woman's Club To Hold Valentine's Day and Past President's Day

Both Valentine's day and past president's day will be celebrated by the Cucamonga-Alta Loma Woman's club at their regular monthly meeting on Thursday, February 14. Mrs. J. T. Salisbury of Hellman avenue, Alta Loma, is in charge of the program for this meeting and will be assisted by all other past presidents of the club who are still living in this vicinity.

These past presidents, Mrs. Clarence Beekman, Mrs. William Cooper, Mrs. J. D. MacPherson and Mrs. L. J. Thomas, all of Cucamonga; Mrs. E. F. Bishop, Ontario, and Mrs. Harry Wright, Upland, have organized a small club of their own. Their plan for the meeting next Thursday is to present a play. They are asking all members to dress in costumes of some period since the Cucamonga-Alta Loma club was started.

Mrs. John G. Stoebe will be hostess for the club for this meting at her home, 1393 Hermosa avenue, Alta Loma.

Fined Again for Drunk Driving

It's getting to be a habit for Carl Devers, 46, of Cucamonga, who was fined $500 and given a suspended sentence of 240 days in the county jail for drunken driving Tuesday afternoon.

The sentence was handed out by Justice C. O. Thompson in the San Bernardino township court as Devers appeared on the drunken driving charge for the sixth time in over a period of three years. This represents the highest number of repetitions of the same offense ever brought before the court.

In three separate counts, Devers was charged with drunken driving, driving while his license was revoked and being drunk in a public place. The sixth drunken driving offense happened on November 11 on Archibald avenue.

Although his driver's license was permanently revoked following his second offense, Devers nevertheless has continued to drive a car. His five previous arrests for drunken driving occurred in Monrovia, Anaheim, Fullerton and San Berardino.

Hold Poultry Center Meeting Tonight

Neighborhood feed cooperation will be discussed tonight when the Ontario-Upland Poultry center meets at the Ontario Junior high school at 7:30 p. m. today.

Joseph Wood, chairman of the poultry department of the Los Angeles Farm bureau, will be the speaker. All poultrymen, whether members or not are invited to attend. The meeting will be held in the cafeteria room of the school.

Recording of Benny Program To Be Played At Service Club

A business meeting of the Cucamonga Service club will be held in the club rooms on Archibald avenue, Monday evening. Besides business to be brought before the club at that time, a brief program has been planned. It will consist of the playing of a recording of Jack Benny's radio program of January 20. Mr. Clifton Chappell, president of the Cucamonga Service club, and Mr. Arvid Lewis presented Mr. Benny with a plaque and made him honorary mayor of Cucamonga at that time.

F. A. Pierce of Humboldt county, California, raised a mohair goat with hair five feet long.

Hold Meeting To Discuss Youth Problems

A meeting was held at the home of Mrs. Asgar Ravn, Arrow highway, Cucamonga, Thursday afternoon, to discuss a Youth Conservation program in the communities of Cucamonga and Alta Loma.

Invited by Mrs. Ravn, president of the Cucamonga-Alta Loma Woman's club, to attend the meeting were Mrs. Arthur Relph of Alta Loma and Mrs. Jeff Stephenson of Cucamonga, chairman of Youth Conservation for the Woman's club; Mrs. Peter Ferraro, president of the Parent-Teacher association of Cucamonga school; Mrs. Daniel Milliken, president of the Parent-Teacher association of the Cucamonga Central school, and Mrs. George Jackson, president of the Parent-Teachers association of the Alta Loma school.

They discussed the need for a program for the youth of the two communities, how such a program could be carried out, and how the Parent-Teacher associations and the Woman's club could work together on such an undertaking.

Library Receipts Of $1,103.57

The Upland Public library had total receipts of $1,103.57 during the month of January, Mrs. F. H. Manker, city librarian, announced today.

At the same time Mrs. Manker said that a total of 3,119 people had used the library last month in spite of the fact that the library was closed the first week due to inventory. A total of $24.68 in fines was collected and $3.78 was gained from rental books.

Fiction led the use of books read with 2,604, while 1,136 non-fiction books were circulated. Including 402 periodicals and 43 pamphlets, 4,185 books were read by Uplanders during the month.

Scout Troops Will Go to Church

The Boy and Girl Scout troops of Alta Loma and Cucamonga have been invited to observe Scout Sunday by attending as troops the Sunday morning service at the Cucamonga Community church.

Troops invited are under the leadership of Mr. Manuel Villegas and Mr. Walter Edwards for the two Boy Scout troops in Cucamonga; Mr. F. E. Wilson for the Boy Scouts of Alta Loma; Mrs. Burt Lindblad for the Girl Scouts of Cucamonga; Mrs. A. H. Schmutz for the Alta Loma Girl Scouts; Mrs. Daniel Milliken for the Cub Scouts of Cucamonga; Mrs. Don Quashnick for the Alta Loma cubs, and Mrs. George Jackson for the Brownie troop in Alta Loma. The subject of the Scout Sunday sermon to be preached by Rev. Arthur A. Schuck is "On My Honor."

The Cornelius VFG-1 is a flying wing glider that serves as a flying gas tank for a plane that tows it. When fuel, supplied by a hose, is exhausted, glider is uncoupled and landed. Glider doubles range of towing plane.

For a permanent cure for plumbing troubles . . . . .

Call SOFT WATER SERVICE

Scale, caused by the minerals in hard water, forms on the inside of water pipes and heater coils. It is the cause of most of your plumbing troubles. In heater coils, the scale acts as heat insulation, requiring more fuel to heat the water. Culligan Soft Water Service prevents the formation of scale and removes deposits made by the former use of hard water.

SAVE MONEY ON WATER HEATING

You'll save money for heating water and for plumbing, too. The clogging of drains is due to hard water. Soap curds, formed by the action of hard water on soap, cause the sticky scum that clogs the drain pipes, making necessary the use of solvents and, eventually, plumbing repairs. With Soft Water Service, soap curds do not form and your troubles from that cause are ended. The savings of Soft Water Service are greater than the cost. Phone for further details today!

HERE'S HOW CULLIGAN SOFT WATER SERVICE WORKS

We install our closed, sanitary unit in your basement or utility room. We own it and service it. We regenerate it in our plant—NOT in your basement.

EVERY RESIDENT IS ELIGIBLE

Every family in Upland, Alta Loma, Cucamonga, and Etiwanda is included in the Upland Merchants' Dividend Day. A directory has been especially compiled by The Upland News. This directory includes every house address in these communities—Upland, the outlying district, and the three communities east of Upland.

A page number and line number are selected in a drawing to determine where the "Dividend Day Man" will call with the award. Thus, an address is selected from the directory. If the family receiving the call qualifies by having sales slips, the award is presented. The call is made at 6 p. m. every Monday. The sales slips must be dated Saturday.

The dividend sales do not have to be for cash, a "charged" sales slip being acceptable. In all fairness, however, a sales slip for payment on account cannot be eligible for use on dividend day.

Prepare for Union Church Services on Februay 24

The ministerial unions of Upland, Ontario and Chaffey schools will present the annual Chaffey District Union church services Sunday evening, February 24, at 7:30 o'clock.

Dr. Donald H. Tippett, pastor of the First Methodist church in Los Angeles, will be the guest preacher. He will speak on "Is Modern Man Obsolete?"

Listed in Who's Who in the Clergy, Dr. Tippett served on numerous directorships and holds several doctor's degrees. He received his early education in the public schools of Boulder, Colo., and secured his A. B., B. D., and D. D. from the University of Colorado. He also has other degrees from New York University and the UCLA.

Ministers from Upland and Ontario who will participate in the program include the Rev. Rufus Oakey, pastor of the First Presbyterian church; W. H. Burton, First Nazarene; Carl Pohlmann, First Lutheran; E. Clyde Smith, First Methodist; and R. Merrill Jensen and Charles L. Knight, of Ontario, and Horace Cushing, Fontana.

The Girls' and Boys' Glee clubs from Chaffey High school as well as the mixed chorus will sing appropriate selections under the direction of S. Earle Blaskeslee.

E. J. Sandford, president of the Ontario Y. M. C. A. will be in charge of the ushers.

Church Observes Scout Sunday

Boy Scout Sunday will be observed at St. Mark's Episcopal church this Sunday at the 11 o'clock service when Troop 4 will worship at the church.

The Rev. John A. Luther, rector, has titled his sermon for Sunday, "Accentuate the Positive."

Herbert Gray, Bill Marks, Davis Wass and Bud Richardson will sing the solo parts when the choir presents "Te Deum Laudamus." Mr. Gray will also direct the choir.

Will Show Movie On Christianity

The modern story of Christianity will be pictorially illustrated at the Upland Methodist church when the sound picture, "The Power of God" is shown Sunday at 7:30 p. m.

Dr. Samuel Hughes, the pastor, urged that all families make an effort to see it and advised early attendance in order to assure seating.

"The characters might be people next door to you," Dr. Hughes said in commenting on the picture. "They enact a true-to-life story that has happened and is happening in thousands of communities throughout America."

Refugee Speaks Sunday Night

Giving testimony to God's prevailing providences in his deliverance will be Oscar Stern, German refugee, who will speak at the Upland Church of the Nazarene Sunday at 7:30 p. m.

Mr. Stern, who was born in Czechoslovakia of Jewish parents went through a lot of trials and suffering under Hitler and the Nazis. He will relate his experiences Sunday night.

The Upland Junior High school girls' glee club will sing at the Sunday morning services. W. H. Burton, pastor, will give the sermon, "Christ Our High Priest."

Bible Conference Begins Here

With "Fellowship" as its theme the Brethren in Christ Bible conference opened in Upland this morning. Sessions are being held in the Brethren in Christ church, 624 North Third avenue, with three scheduled daily. The conference will continue through Saturday and Sunday.

Bishop Wagaman gave a preview of the conference this morning which dealt with "Fellowship with the Word." H. G. Brubaker spoke on "The Impregnable Word."

Speakers tomorrow will include John Raser, J. R. Eyster, S. W. Landis, Rev. Jesse F. Lady and Bishop M. L. Dohner. Sunday the Rev. C. R. Heisey, pastor of the Brethren in Christ church here, will open the morning session. Bishop Dohner, William Lewis and E. O. Rice are included among the speakers.

Senior Class Play To Be Presented At Chaffey Tonight

A mystery farce, "Ramshackle Inn," will be presented tonight at the Chaffey Civic auditorium by the senior class as its annual play.

The curtain goes up at 8 p. m. revealing the scene of the play which is laid in the inside room of an inn. Throughout the whole production, the action is swift and the suspense increases with each clue.

Tickets for the show may be purchased at the auditorium box office at any time before the play begins.

"Ramshackle Inn" is under the direction of Miss Gretchen Lizer, high school dramatic teacher, and the sets for the production have been designed by Bill Simpson, a former Chaffey graduate.

Dime Campaign Brings $730

Contributions to the March of Dimes campaign in Upland amounted to $730.17, Orton P. Brady, chairman of the local committee, announced today.

The Upland Junior High school led the list of contributors with $75.71, with the Upland Rotary club and the Upland Elementary club close behind with $72.95 and $70.10, respectively.

The committee which is headed by Mr. Brady and includes Mrs. Harry Plum, John A. Andreas and Harold W. Cook expressed its appreciation today for the response and support given the polio drive during the campaign. Speaking for the committee, Mr. Brady said that he was happy to see that the people in the community realized the worthiness of the campaign.

I.O.O.F. Lodge Gives $65 to Davis Fund

A contribution of $65 for the Raymond Davis building fund was unanimously approved by the Odd Fellows, Euclid Lodge No. 68 at their meeting Tuesday night.

Noble Grand William Goalby and Vice Grand Richard Allen both made the suggestion which was received with enthusiastic approval by the lodge. Several members spoke heartily in favor of endorsing such a move.

Thirteen new members were initiated by the lodge. Following the meeting the refreshment committee served ice cream, cookies, coffee and milk.

Poultrymen To Hear Speakers on Monday

Three speakers prominent in the poultry field will address a meeting of poultrymen to be held at the Kaiser cafeteria Monday night. Joe Woods, of the Los Angeles poultry center will speak on "What Farm Bureau has done for Los Angeles poultrymen;" Earl Goodall, asistant secretary of the California Farm Bureau federation, "What Farm Bureau is now doing in the interests of poultrymen," and Charles F. Kingsland, formerly of the New Jersey egg auction, "Benefits Growers derived in Seling Through Egg Auction."

All poultrymen are invited

About People

Mrs. Clara R. Jacobs, 170 C street, was admitted to Green Memorial hospital Wednesday for minor surgery.

Mrs. Henry Smith, 1190 Myrtle drive, returned home this morning after receiving medical care at Green Memorial hospital.

Mrs. Lily Hawkinson, 499 West Arrow highway, is receiving medical care at San Antonio Community hospital, entering Thursday.

Mrs. Will Atchison, 279 North Second avenue, entered San Antonio Community hospital Wednesday for major surgery.

Mrs. I. J. Linkey, of 458 North First avenue, and Mrs. Herbert C. Naylor, of Ontario, spent last week in Phoenix, Arizona, as guests of Mrs. Linkey's sister, Mrs. William Wright and her family. Mrs. Linkey was on vacation from her duties as a switchboard operator at the Naval hospital at Corona.

Mr. and Mrs. Dwight Bert left yesterday for Union, Ohio, where they will enjoy a visit with Mrs. Bert's parents, Mr. and Mrs. William Foreman. This is really the couple's honeymoon trip, as their marriage occurred shortly before Mr. Bert was sent overseas. They will return to California in time for him to return to school at Woodbury Business college in Los Angeles when the spring term begins. He left his studies there when he entered the army in January, 1943. Sgt. Bert received his discharge on January 7, after serving 27 months in the Southwest Pacific. Besides the American and Victory ribbons, he received three bronze stars, the Asiatic Pacific campaign medal, Philippine liberation ribbon and good conduct medal. Mr. Bert is the son of Mr. and Mrs. Joe P. Bert of 563 North Third avenue.

ADVERTISEMENT FOR BIDS

Notice is hereby given that the City Council of the City of Upland, County of San Bernardino, State of California, hereinafter referred to as the "Owner", will receive up to, but not later than 7:30 o'clock p. m., of the 21st day of February, 1946, sealed proposals for the award of a contract, for the construction of an eight-inch vitrified clay sewer pipe line approximately eight feet deep and sixteen hundred feet long, with four manholes and approximately sixty-four 8x6 y's. Such bids will be received in the office of the City Manager of the City of Upland, located at the Upland City Hall, and will be opened and publicly read aloud at the above stated time in the Council Chamber of the City Hall.

Each bid must conform and be responsive to all the pertinent Contract Documents. Copies are now on file and open to public inspection in the office of the City Manager of the City of Upland, located in the Upland City Hall, where copies may be obtained, by a deposit for each set as shown below. This deposit will be refunded if the set of Contract Documents is returned in good condition within ten days after the bid opening.

Each bid shall be made out on a bid form to be obtained at the said office in which the Contract Documents are on file.

Each bid shall be accompanied by a certified or cashier's check payable to the Owner, or a bid bond in favor of the Owner, executed by the Bidder as Principal and a satisfactory surety company as Surety, in an amount not less than five per cent of the maximum amount of the bid. The check or bid bond shall be given as a guarantee that the bidder will execute the Contract, if it be awarded to him, in conformity with the Contract Documents and will provide the surety bond or bonds as specified therein within five days after notification of the award of the Contract.

The local prevailing federal approved hourly wage scale shall be used in constructing the Bid.

The Owner reserves the privilege of rejecting any and all bids or to waive any irregularities or informalities in any bid or in the bidding.

No bidder may withdraw his bid for a period of thirty days after the date set for the opening of bids.

Dated: January 30, 1946.

Plan Campaign For $100,000 Vet Memorial

(Continued from page 1)

this Memorial possible will begin as soon as final plans are completed and a contract with the city has been agreed upon.

The cost of the building is considerably more than had been anticipated by the Legionaires. The original plans which were presented in January placed construction cost somewhere around $40,000. But additions, such as a stage, bowling alleys and additional rooms and other facilities have boosted the cost to the $100,000 figure.

OPEN TO ALL

However, it was felt that since the Veterans' Memorial would be open not only to all veterans but to other civic groups as well, it would be well to erect as complete a building as possible.

According to the present plans the Veterans' Memorial would be 18,754 square feet, or 12,042 square feet without the basement which includes the bowling alleys and Scout or other youth meeting rooms.

MODERN DESIGN

The stage, with two dressing rooms, comes to 968 feet; the auditorium, 5,244; men's club room, 1,274; auxiliary club room, 1,274; two committee rooms, 496 each and the kitchen and the corridor, 1,045.

The exterior view of the building would be modern in every respect and believed to be one of the most beautiful in the Southland. Since it will be located in the city park, it is believed that it will encourage development there, something city officials have wanted to do for quite some time.

Firemen Extinguish Refrigerator Fire At Earl Marsh Home

A fire in the electric refrigerator threatened the home of Earl Marsh, 1870 West Arrow highway, Wednesday afternoon, but the prompt arrival of the Upland fire department prevented the flames from spreading.

While the refrigerator was heavily damaged, only slight damage was reported to the kitchen walls, with the rest of the house escaping any harm.

The fire was discovered by Mr. Marsh's stepdaughter at 1:37 p. m. Wednesday and she promptly called the fire department.

Child Expert Speaks Here

The major responsibility for solving juvenile delinquency rests on the home and not on the school or the community, Miss Charlotte Neely, who is in charge of child welfare and attendance for the Pomona schools, told the Rotary club Wednesday.

"If you care enough about your children they shouldn't be pampered, nor should they be allowed to run loose," she said. "It is up to the homes to see that the job is done."

Miss Neely explained the work that the schools under her direction are trying to do. She said that the main emphasis was to catch the delinquency early when something could still be done about it.

She listed five causes for juvenile delinquency.

(1) Children now attending schools with a limited I. Q.

(2) Means of getting into trouble have increased, notably with the automobile.

Pest Control Group To Meet Tuesday

Citrus pest control measures will be discussed by Dr. A. M. Boyce, of the Citrus Experiment station in Riverside, at the annual meeting of the stockholders of the Citrus Pest Control association Tuesday morning.

The meeting will be held at the Upland Elementary school auditorium and is open to anyone interested, regardless whether they are stockholders or not.

Dr. Boyce, in addition to discussing general control measures, will also talk on the lateest developments with DDT as an insecticide.

City Gave 5,605 Lbs. of Clothes

Final tabualtions of the Victory Clothing collection which ended on January 31 indicate that 5,605 pounds of clothes were given by Uplanders, Lowell Donnell, chairman of the clothing committee, announced today.

Of this total 1,130 pounds, or between 660-700 pairs, were shoes, Mr. Donnell said. This brings the total clothes donated by local citizens to nearly three tons.

"We are more than gratified at the wonderful response and are very pleased with all the cooperation that we received in this drive," Mr. Donnell declared. "Such a splendid record could not have been made if it hadn't been for the help and cooperation of everyone in the community."

The clothing drive here was sponsored by Upland Lion's club, with Mr. Donnell as general chairman. Lion members at various nights alternated in packing the clothing for shipment overseas.

Death Claims John Henry Byer; Services Monday

John Henry Byer, East Ninth street, a minister and evangelist of the Brethren in Christ church for 61 years, passed away last evening at the home of his son, B. L. Byer, in Pasadena at the age of 84 years.

A native of York county, Ontario, Canada, Mr. Beyer had lived in Upland for 35 years, coming here from Michigan. His wife, Mary Byer, died in November, 1930.

Surviving are a daughter, Mrs. A. O. Wench of Upland; three sons, Ralph Byer of Upland; B. L. Byer of Pasadena and Earl Byer of Tishomingo, Okla.; four sisters, Mrs. N. T. Franklin and Mrs. B. L. Decker of Upland; Mrs. S. B. Stoner of Sacramento, and Mrs. M. L. Thompson of Bellflower; and 19 grandchildren.

Funeral service will be held Monday afternoon at 2:30 o'clock in the Upland Brethren in Christ church, of which Mr. Byer was a member and interment will follow in Bellevue cemetery. It was the wish of Mr. Byer that instead of sending flowers for his funeral his friends make a donation to foreign missions.

Protest Civic Center Site

(Continued from Page One)

Councilman Sherwood told Mr. Daggs that the fact that two hearings by the planning commission and one from the council would be held was certainly fair to everyone.

"That's how democracy works," Mr. Sherwood commented.

Mayor Nisbet and Councilman Paul Hottel both told the protesting property owners that the rezoning was being contemplated both for the protection of the city and the property owners themselves. They pointed out that unless some restriction was placed it would leave it wide open for some one to buy property there cheap with the hope of getting a high price from the city later. Also, present owners would not go ahead and make expensive additions and alterations if they knew that the civic center might be placed there."

"FANTASTIC" IDEA

Declaring that he didn't want to do anything to hinder the growth of the community, L. N. Kirk, 429 North First avenue, called the whole idea of building a civic center "fantastic" and asked the council to "stop it now."

"You propose to throw 115 people out of their homes. Where are we going? Are you going to find us a place to live?" he asked.

Mr. Kirk went on to say that the property owners affected should have been consulted before any action was taken by the city.

It was pointed out by several councilmen that the program of building the civic center would probably take 10 or 15 years and that in the meantime home owners there could continue to live as they had in the past.

Mrs. J. F. Sawyer, of 442 Euclid avenue, also spoke reiterating some of the same ideas expounded by the other protestors.

KINDEST ACTION

Mayor Nisbet said that there were many people who looked at things differently than the protestors did.

"Some people say we should have a civic center," he said. "The council took the kindest action they knew. We all realize no matter what action we take somebody is going to get hurt."

Councilmen Goodban, Sherwood, Hottell and Harry Wright all concurred with the mayor's statement and felt that citizens had become unduly alarmed about the whole thing.

Jennie Zimmerman Claimed by Death; Services Monday

Death came Wednesday evening at 7:15 o'clock at San Antonio Community hospital to Miss Jennie A. Zimmerman, following an illness of two years duration. She was 93 years of age.

A native of Fort Madison, Iowa, Miss Zimmerman came to Upland from Oberlin, Kansas, 20 years ago, and since that time had made her home with her sister, Mrs. W. P. Anderson, 620 East Arrow highway. She became a musician at an early age and she taught music for many years. As a deep student of religion, she spent much of her time in later years in reading the Bible and other religious literature.

Surviving besides the sister in Upland are another sister, Mrs. J. G. Morrison of Oberlin, Kansas; a brother, Albert E. Zimmerman of Salem, Oregon; six nephews, two nieces and many grandnephews and nieces.

Funeral services will be held Monday morning at 11 o'clock in the Little Church of the Flowers in Glendale, with Rev. Frank E. Lindgren, assistant pastor of the Church of the Open Door, officiating. Interment in Forest Lawn cemetery, Glendale, will follow the rites.

Oscar Stern

Born in Czechoslovakia of Jewish parents, Oscar Stern suffered much under Hitler and Nazism. He will tell about his spiritual experiences Sunday night at 7:30 o'clock at the Upland Church of the Nazarene.

Present Ballet Theatre At Bridges Auditorium

The Ballet Theatre, the greatest in Russian ballet, will make its second appearance in Bridges auditorium, Tuesday evening, February 12, as a special event in the auditorium program.

The company of 125 dancers, accompanied by a full symphony orchestra, plans to present three major ballets in its Claremont program. Reservations for the performance of the Ballet theatre may be secured by mail or telephone order to the box office, Bridges auditorium, Claremont 7161.

Bill Paulin Tells Lions of Europe

While the United States did an outstanding job in equipping and training men for combat duty, an apparent oversight occurred in training peacetime occupation forces to serve in Germany.

That was the conclusion expressed by Bill Paulin in speaking at the meeting of the Upland Lions club at noon yesterday. In recounting his experiences as a soldier, the Uplander made observations about the people and the countries of Europe.

As the war ended there, Mr. Paulin was assigned to the American Military government forces. Without previous training in his field he was placed in charge of people in four German cities, he said.

He paid high tribute to the army engineers for their skill and bravery in constructing bridges and roads over which the Allies went into enemy territory. A bridge across the Rhine river was constructed under German fire within an hour, he said in citing one instance.

A technical sergeant in the anti-aircraft division, the Uplander was stationed at the "White Cliffs of Dover" in England at the time of the "buzz" bombs and strong artillery fire from Germany. Nearly a third of the soldiers in his group were killed, he reported.

The speaker, who fluently related his experiences, said that an English major expressed gratitude to the Americans for the men and munitions that "saved England." "Always," added the speaker, "the English will be able to take care of themselves," and he said that people of Great Britain seemed to realize that United States had contributed much to save their nation.

As a preliminary to Mr. Paulin's speech, a "birthday" talk, partly about his war experiences was given by Francis "Squeak" Wilson, a new member of the club. Among guests at the meeting, held in the Upland Woman's clubhouse, was Roy Galloway, new Upland businessman, and Philip C. Busch of Fallbrook, who was the guest of his son, Henry Busch.

Last Rites for Lamkin Infant Saturday

Funeral services for little Gloria Lee Lamkin, five-months-old daughter of Mr. and Mrs. Frank Lamkin, 780 Raymond street, will be held Saturday morning at 10 o'clock at the Stone Funeral home, 329 East Ninth street. Dr. Samuel Hughes, pastor of the Upland Methodist church, will be in charge.

The baby passed away yesterday afternoon at San Antonio Community hospital after a week's illness with acute pneumonia which followed an ear infection. Surviving besides the parents are the maternal grandparents, Mr. and Mrs. T. J. Sole of Upland; the paternal grandmother, Mrs. Joe Lamkin of Pomona; two sisters, Geraldine Mae and Joyce Ann; and two brothers, Marvin Thomas and Oren Joe, all at home.

Just prior to the war Palestine had 69,000 acres of oranges and 6,600 acres of grapefruit and lemons.

Legion Has 160 Members

The membership rolls of the Upland post of the American Legion continue to swell as Edgar Pierce, adjutant, reported that a total of 160 ex-servicemen are now members of the Legion.

This is more than twice the etsablished quota of 76 and 46 more than the objective of 114 which was given to the local post by the state headquarters.

Commander E. E. Carter called upon Legionaires to continue the membership drive until the 200 mark has been reached.

The present membership is the highest ever achieved in the history of the Upland post.

Receiving his discharge from the navy after 22 months in the Pacific was Robert Wesley Smith, son of Mr. and Mrs. Clyde Smith, 253 South Sultana avenue. He is home now and is considering going into business for himself.
